Instructions to Reviewer:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.
2. The attached copy of the application and this form must be returned to the US Patent and Trademark Office (PTO) once a recommendation not to impose security has been made or a security order has been rescinded.
3. In the recommendation section, enter "SNR" if security is not recommended, enter "Security" if security is required and include the basis, i.e., citation of a classification guide and level of classification, or "N/A" for administrative distribution of application to reviewer.

Time for Completion of Review:

Pursuant to 35 USC 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

The USPTO publishes patent applications at 18 months from the earliest claimed filing date. The USPTO will delay publication of a patent application made available to a defense agency under 35 USC 181 until no earlier than 6 months from the filing date or 90 days from the date of referral to the agency. This application will be cleared for publication 6 months from the filing date or 90 days from the above "Date Referred" whichever is later, unless a response is provided to the USPTO regarding the necessary recommendation as to the imposition of a security order.
